## Registration Begins Feb. 1

Dear PWYB/S Family,

Welcome back for another exciting baseball and softball season! For those families new to our program, we'd like to extend a special welcome. Last year, nearly 550 kids participated in our baseball and softball leagues and with the help of countless volunteers, we had another incredible season.

One of PWYB/S's primary goals is to give our children a great outlet for playing organized baseball and softball in a fun & safe environment. We also seek to provide baseball fundamentals and teach lessons that can be applied later on in life.

Thank you for participating in PWYB/S. We are committed to having another season of safe, fair and fun baseball and softball — Let's Play Ball!

## In The Dugout

Port Washington Youth Baseball and Softball relies heavily on its volunteers. The 2012 season is no different. Whether it is helping to coach a team, prepare our fields for the upcoming season, helping at one of our tournaments, or assisting in the concession stand we need your help. We strongly encourage you to sign up for a position on the registration form.

During the months of May through July, the baseball and softball fields are utilized over 75% of the available time by high school teams, softball leagues, Land O Lakes baseball and PWYB/S.

Admissions to the High School baseball and softball home games are free of charge! Why not take in a game and cheer the local teams to victory?
